Global Soccer Conclave

is a unique didactic platform to ensure holistic engagement of football clubs, federations, educational institutions, brands and sports tech service providers for the betterment of the developing Football ecosystems.

The conclave aims to bridge the gap between the developed and the developing football ecosystems ensuring knowledge networking through events and community-based activities and contribute meaningfully towards betterment of football business and performance.

World's only football specific accelerator hub created with a homogeneous cohort of innovators, sports tech start ups, tech experts, social drivers and investors. GSC Kickoff thrives with a mission to guide and nurture innovators and sports tech start ups to identify best solutions for the developing football ecosystem suitable and sustainable as per their specific requirement.

GSC Kick-off (Match Day) is an annual validation day through which the best solutions will emerged judged by the best industry experts and technocrats.
